YOUR PLATFORM

FOR AFRICAN EXPANSION

COPPER QUAIL GLOBAL supports global business in their efforts to grow their footprint into Africa by providing a full spectrum turnkey human capital solution with global and local competencies.

Strategically established to **support continual business growth**, and manage all employment requirements. We offer sustainable social impact solutions for projects/business throughout the continent, with a key focus on training vital skills from grass roots to executive level.

We are positioned to identify new opportunities for our clients and **act as a body of intel and reference** to support growth and synergy on a continual basis.

We have 152 years' combined experience of working on the continent and further afield. Our capabilities consist of **specialist niche, targeted skills** – to ensure that our clients can focus on their core intent – while we handle the **human capital element** of their business.

This allows us to consult from a practical perspective with an **experienced based competency in over 24 African countries.**
